REPORT OF TOWN HISTORY COMMITTEE

The committee appointed at town meeting on March 14, 1944, to collect material for a continuation of the town history, reports substantial progress in its work.

At the time of its organization a list of subjects which it was thought should be included in the project was discussed at length by the committee and certain subjects assigned to each member. This list of subjects was very comprehensive, but the most important included the town statistics and officials, schools, fire departments, churches, cemeteries, the Precinct, Library, post office, railroad, taverns, business enterprises past and present, and the town's social and fraternal organizations for the past sixty years. Work has been completed on about half of these, and others are covered in part. A few are to be prepared by people who have kindly consented to contribute them because of their special knowledge of certain topics.

As the records of World War II are not completed, and those of World War I and the Spanish-American War are available only in Concord, that section of the history has not been undertaken yet.

In other supplemental histories it has been found that of great interest and value to later generations have been stories of the old houses, the names of their successive owners, and lists of the dwellings, shops and other buildings on both sides of the streets and roads of the towns. The changes in Fitzwilliam since 1887 have been very great, and in the next fifty years they may well be greater. The committee feels that it will be of interest and future value to collect this material so far as it is possible. It is all town history, and should be gathered while information is available from those who remember the many vanished landmarks.

Mrs. Clifford Mackenzie has been appointed by the selectmen to succeed Charles F. Ayres, resigned.

The committee will appreciate the loan of any copies of The Monadnock Breeze of dates prior to 1924, and of old photographs of houses and other buildings.

No part of the town appropriation of $50.00 has been spent.

MARGUERITE KIMBALL,
EDITH W. WEST,
CLARENCE M. DAMON,
Committee.

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

Concord, New Hampshire

February 8, 1946.

Board of Selectmen,
Fitzwilliam, New Hampshire.

Gentlemen:

Submitted herewith is the report of an audit and examination of the accounts of the Town of Fitzwilliam for the fiscal year ended December 31, 1945, which was made by the Division of Municipal Accounting of the State Tax Commission in accordance with the vote of the town. Schedules as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Road Agent, Trustees of Trust Funds, Depot Park Commission, Treasurer of the Elliot Institute, Library Treasurer and Village District.

FINANCIAL STATEMENTS

Ten Year Statements of Indebtedness, Valuation and Taxes:
(Schedules A and B)

Summarized statements of Indebtedness, Valuation and Taxes, covering a ten year period, prepared from reports on file in the office of the Tax Commission, are presented in Schedules A and B.

Balance Sheets—December 31, 1944—December 31, 1945:
(Schedule D)

Comparative balance sheets, as of December 31, 1944 and December 31, 1945, have been prepared and are presented in Schedule D.

Change in Financial Conditions:

As shown by Schedule D, the fiscal year of 1945 ended with a Net Debt of $995.74, as compared to a Net Surplus of $4,312.37 at the close of 1944, indicating a change in financial condition during 1945 of $5,308.11. This resulted principally from a net budget deficit and the use of surplus funds in the treasury to (1) reduce the amount of the 1945 tax levy and (2) establish a Capital Reserve Fund. The change in financial condition of the town during the year may be summarized as follows:

Net surplus—Dec. 31, 1944,	$4,312 37	
Net debt—Dec. 31, 1945,	995 74	
		$5,308 11

Change in financial condition:

LOSSES		
Net budget deficit,	$2,281 80	
Surplus cash used to reduce amount of 1945 tax levy,	1,000 00	
Surplus cash transferred to capital reserve fund,	2,000 00	
Other items	26 31	
		$5,308 11

Summary of Receipts and Expenditures: (Schedule E)

A summary of receipts and expenditures for the fiscal year ended December 31, 1945, made up in accordance with the uniform classification of accounts, is included in Schedule E.

Comparative Statements of Appropriations and Expenditures—

Estimated and Actual Revenues: (Schedules C and C-1)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1945, are presented in Schedules C and C-1. As indicated by the budget summary, a net overdraft of appropriations of $2,514.84, less an excess of actual over estimated revenue of $233.04, resulted in a net budget deficit of $2,281.80.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by sources and totals of receipts and expenditures verified. Proof of the Treasurer's balance as of December 31, 1945, is indicated in Schedule E-1.

TAX ACCOUNTS

Tax warrants for the levies of 1945, 1944, 1943, 1942, 1941 and previous years, and tax sale accounts for the levies of 1945 and previous years were examined. Summaries indicating the activity in the tax warrant and tax sale accounts for the fiscal year ended December 31, 1945, are presented in Schedules F, F-1, F-2, F-3 and F-4, respectively.

TOWN CLERK

The accounts and records of the town clerk were examined and audited. It was found that the clerk had made an over-remittance during the year to the town treasurer on the motor vehicle permit account in the amount of $150.00. (Schedule G). This is set up as a liability item in the Balance sheet.

GENERAL COMMENTS

The accounts and records of all town officials were found in good condition and the accounting procedure conformed to the uniform system prescribed by this Division. The use of the tax collector's loose leaf columnar cash book was recommended and the installation of this form was made during the audit.

The provisions of Section 31, Chapter 211, of the Laws of 1939, require that this report or a summary of its essential features shall be published in the next annual town report.

We extend our thanks to the officials of the Town of Fitzwilliam for their assistance during the course of the audit.

Yours very truly,

Director,
Division of Municipal Accounting,
State Tax Commission.

LIBRARIAN'S REPORT

Because of war time restrictions on conferences, regional library meetings were held this year. I attended the Keene district meeting in June.

After V-J Day the New Hampshire Library Association held its 56th annual conference in Laconia in October. The talk given by Paul Driscoll, teacher of American History in the Framingham High school gave librarians and trustees much to think about, when purchasing books for the taxpayers. Quote: "Your liberty has been threatened—your liberty as a reader. Tyranny flourishes in Massachusetts and it can spread to New Hampshire. I say that a library in which there is no freedom for the readers is not a library, but a dead repository of dead books, selected by a self appointed autocracy. There are two theories—one of censorship the other of democracy. On which theory is your library operated?"

Again we thank Mr. Arthur Plante for his kindness in the distribution of books at the Depot.

Miss Catherine Pratt from the State Library at Concord came over and discarded many of the old books to make room on the shelves for more recent volumes.

During my absence Mrs. Fred Wilkins very capably served you. Now I have resigned and the trustees have appointed her librarian for the coming year.

4,107 books were borrowed this year.

MAYE S. GERRY,
Librarian.

william schools. Cod Liver Oil and milk is provided by the School Board.

Once again, I wish to thank the several individuals who have taken an interest in the work of the District Nursing Association. Some have generously provided sheets and old linens for the use of the nurse, which has been sorely needed and much appreciated in several cases this year; also other utensils that have been hard to procure due to shortage.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Fitzwilliam:

I herein submit my third annual report as superintendent of schools.

The American Constitution has proved itself to be—as the great statesman William H. Gladstone once said, "the most wonderful work ever struck off at a given time by the brain and purpose of man." Its fundamental purpose—"to promote the general welfare," as defined in the Preamble, makes public education for desirable purposes the most important individual, community, state and national enterprise. Now that we have plunged into the Atomic Era a higher level of universal education is imperative.

"The men and women in uniform are coming home having finished the gigantic job of making human freedom possible. Victory in the war against prejudice, greed and ignorance necessitates another great invasion in which the penalties of failure are as grave as those in military catastrophies. The knowledge, the skills and the understandings gained by our young people in the next few years will determine whether this country can or will solve the difficult social, economic and political problems that make peace possible. The implications of all of this are very clear. Now, in every land, in every language, the teachers have a key position in the most important business of all. These commandoes of the peace must be well trained and equipped if their mission of 'the general welfare' is to be accomplished.

America's future is in the school children of today. In the text of a new film—"Assignment: Tomorrow," just produced by the National Education Association, these children and the kind of adults every right thinking person wants them to become, are described as follows:

"They're scattered like millions of seeds all over a great fertile land. The stock is good and the land is rich—that should mean a bumper crop.

"A crop of good citizens—of voters who will know what they want and how to choose honest, capable leaders.

"A crop of cooperative citizens—who will get along with each other regardless of their race, creed or color.

"A crop of self-supporting citizens—who will like the American standard of living and who can all afford to have it.

"A crop of healthy citizens—who will know how to keep themselves well—who will have eating, living and playing habits that build strength and stamina.

"A crop of happy citizens—who will produce a culture that can be enjoyed.

"A crop of active productive citizens—who have learned to play the game well.

"This is the wealth of our country—a crop of Americans, at peace with the world. It can be a rich crop if it is cultivated and nourished in good schools."

The above objectives cannot be obtained without complete cooperation from the homes of all the people. The laxity of parents is undoubtedly the greatest contribution to juvenile delinquency.

The administration and supervision of any school program must be based on a choice of three alternatives: improvement, no change or regression. The present trend toward inflation makes it difficult for most school systems to function efficiently without considerable increase in the budget. However, a study of the present recommended budget and the cost of schools in the Fitzwilliam district for the three-year period ending in June 1946 indicates that the numerous improvements in the schools have made no significant increases in the total annual expenditures. This condition is due primarily to the present method of organization which provides a minimum number of teachers with a maximum of time for specialized instruction for each grade. At the present time no teacher is concerned with more than two grades. By combining

certain classes on alternate years all the teachers should be able to give much more individual instruction and remedial help. This type of program is impossible with an odd number of grades per teacher such as three or five, and impractical with four or more.

It is unfortunate that the shop work was not available for all the boys in the upper grades, due to the lack of a suitable teacher for this work, at the beginning of the school year in September 1945.

An inspection of the several school plants reveals that they are being well maintained and equipped. May I take this opportunity to express an appreciation to Mr. Walter Perry of Keene who provided the playground equipment at the Columbian school. This provision for wholesome recreation should be available to all children but few have it at the present time in rural areas. This fine contribution is indirectly a gift of better health and citizenship in the community.

The reimbursement of the school district with funds from the Federal Government for expenditures for milk consumed in school will make it possible to enlarge this program. The reimbursement under the present program amounts to two cents per pupil per day.

TEACHERS

Mr. Orman Lowe resigned as Principal of the Junior High School in February 1945. Due to the fact that no suitable high school teacher was available to replace him at this time, the pupils in Grade 9 were transferred to Keene High School. Maude Whitcomb and Lillian Dahl completed the year at the Junior High School building. Mary Nano and Maude Whitcomb resigned in June 1945.

Marion E. Sabin of Keene assumed the duties as Principal at the Grammar School Building in September 1945 assisted by Lillian Dahl. Mrs. Sabin is a graduate of Keene Teachers College and a teacher with seven years of successful experience. Mr. Edward Dale, Music Supervisor in the Winchester Schools, was employed to fill the vacancy caused by the resignation of Arthur T. Coogan.

Resolution presented by Wm. H. Davis: Resolved: That the Selectmen he instructed to take $50 from Town funds not already appropriated and turn this money over to the Depot Park Commission to be spent under Article 18 of the Town Warrant.

Resolution presented by Abe P. Yon: Resolved that the Selectmen be instructed to cause a new report on births recorded in the Town of Fitzwilliam for the year 1944, to be placed in the next annual Town report as a corrected copy and add to same any births that have or may have been omitted.

Philip Yon spoke regarding the Radio Broadcasting Station that is to be installed on Mt. Monadnock, and the Moderator was requested to read a letter from the Monadnock Region Association, and Mr. Yon presented the following resolution:

Whereas, The Town of Jaffrey has leased certain lands on Mount Monadnock belonging to the Town to the Monadnock Radio Foundation, Inc., for installation of a Frequency Modulation broadcasting station and

Whereas it is understood that such an installation will afford a greater improvement to radio reception in the surrounding area, and under the terms of the lease, any construction attendant on such installation will be so restricted as not to interfere with the aesthetic values of the Mountain, now Resolved, that we, residents and voters of Fitzwilliam, hereby express our hearty approval of the project and hope for its successful development.

The meeting was dissolved at 3:25 p. m.

Respectfully submitted,

FRANCES F. CHASE,

Town Clerk.
